10	Minute by the Most Noble the		States in reference to the annual allowance of 70 Rupees paid to the Pagoda at Soobramaneypooram in Chingleput, that he understands the Board of Revenue to propose a new arrangement which appears to be at variance with the orders of the Honorable Court, & suggests that the Board be informed that the Govt. can authorize no new arrangement and that the one hitherto in force should alone be followed observing further that the Village of Sholaveram was forfeited by non payment of the dues of Govt. and that the proposal of the Board to grant an allowance of 300 Rupt. to the Pagoda is tantamount to a new arrangement and should not therefore be Sanctioned	28th Octr. 1845	2nd Jany No. 2	16th Feby 1847 No. 11 P. 17

244 Minute by the Most Noble the — States that in the letter to the Govt. of India dated 28th March 1845, the Govt. laid down the principle that choultries built for public convenience are not to be confined to particular classes, and is therefore of opinion that upon this principle the choultry built at coilputty in Tinnevelly should not come under the care of Govt. unless open to all classes of the people — 28 Octr. 1845 — 13 Jany. No. 20 — 10th Jany. 1846 No. 2 & 1

248 Minute by the Do. — States in reference to the chuttrum built at coilputty that he would not on any account interfere to discourage persons expending their private property in accordance with their own views and religious feelings, but doubts the propriety of Govt. taking upon itself the care of institutions founded on principles of Caste and identifying itself with them — 3d Novr. — 13 Do. No. 23 — Do. Do.

250 — Minute of Council thereon — 10th Jany. 1846 — No. 24

256 Minute by the Do. — States that he does not understand that the choultry built at coilputty is to be like the Govt. Bungalows, appropriable for the use of the higher and wealthier classes of the General community but that the use of it is to be regulated by the caste or creed of the individual, and consequently many of the most respectable Native Officers might be excluded on the grounds of the Hindoo distinctions of caste — 1st Do. — 13 Do. 439 Minute by the Most Noble the — States what he understands to be the views of the Honorable Court in respect to the Guntoor Zemindaries that the arrangements ordered by them, such as the surrender of the Sunnuds and the abstinence from a public sale, appear to him subordinate and that it is not of so much consequence that the Govt. should adhere strictly to the mode in which the Honorable Court propose to carry out their intentions, as that the great object in view should be early accomplished. Suggests that in accordance with the views of the Junior Member of Council, the Estates should be exposed for Sale and purchased on account of Govt. or if this be thought unadvisable, he would not object to an immediate reference to the Honorable Court on the subject | 13th Decr. 1845 | 20th Do. 1690 — Minute of Council thereon — No. 36

1799 Minute by the — Do — Remarks on the system that should be adopted in the Revenue Board in disposing of business in reference to a return of arrears submitted by them. Sees no reason to question their desire and ability to perform their responsible duties efficiently and with dispatch and concurs with the Junior Member of Gov^t. in thinking the Report now received to be satisfactory Records his full approval of their labors and suggests that a Return of arrears of business in that Office be submitted to the Honorable Court — 18th Decr 1845 — 10th Do. No. 3

1807 Minute by the — Do — Observes in reference to the arrears of business in the Board of Revenue that it had appeared to him the Gov^t. might be relieved from discussions affecting the public character of individual Members, if the Senior Member of Council personally associated with them in the business of the Board and ascertained how the duties were conducted by the several Members but if there are objections to this course, the Honorable Court may be requested to give their instructions — 18th Jany 1846 — 10th Do.
